

2021 Quarterly Newsletter

Winter 2021

Dear Friends of LCS,

The holiday season is a perfect time to reflect on our successes and plan for the new year. 2021 was a year of many successes and accomplishments, especially while continuing to navigate through this ongoing pandemic. LCS was able to continue to help participants gain community employment and create many new employment opportunities. Participants are back safely volunteering in the community at several different volunteer sites after not being able to for over a year. All these successes could not have been accomplished without the hard work and continued dedication of the LCS staff, as well as the commitment participants have towards reaching their goals and desired outcomes.

LCS would like to thank our community partners for their support and helping participants reach their full potential by providing employment opportunities, volunteer opportunities, and learning experiences. LCS truly values and appreciates these partnerships.

On behalf of LCS, I want to send my warmest thoughts and best wishes for a wonderful holiday and a Happy New Year to each of you.

-Alison Hoffman, Executive Director

LCS' mission is to provide training and community engagement for youth and adults of varying abilities to enhance their self-esteem and quality of life.

Volunteering Opportunities and Learning Experiences Help Participants to Develop Their Job and Life Skills!

With 2021 ending, we wanted to take the time to reflect on the year and thank all the businesses who welcomed LCS back to volunteer and take part in new learning experiences. You all helped to continue to make mission happen at LCS by giving us more opportunities out in the community. We hope 2022 will bring even more opportunities for LCS.
