2023 Quarterly Newsletter

Hello Spring

The LCS mission is to provide training and community engagement for youth and adults of varying abilities to enhance their self-esteem and quality of life.

"POTENTIAL IS LIMITLESS"

LCS Success Stories!

All stories were made possible through our partnership with the Division of Vocational Rehabilitation (DVR).

Tom (pictured below on the left-hand side) recently started a Temporary Work Experience (TWE) as a Janitor at the Wyndham Garden Harborside Hotel in Kenosha. Some of his job tasks include sweeping and mopping the floors, vacuuming, cleaning mirrors and glass doors, wiping down tables and chairs, emptying trash cans, and refilling empty soap dispensers. Keep up the great work, Tom!

Misael (pictured on the top, right-hand side) was hired as a Lobby Attendant at Culvers in Burlington on March 20, 2023. Misael's job involves greeting customers and cleaning the tables and chairs in the lobby. Congratulations and keep up the great work, Misael!

Scott (picture below on the left-hand side) was recently hired as a Cleaner at Burger King at Regency Mall in Racine. He oversees keeping the lobby, kitchen area, and restrooms stocked and clean for customers. He also picks up litter and sweeps outside as needed. Congratulations on the new job, Scott!

David (pictured above on the lower right-hand side) started a Temporary Work Experience (TWE) as a Server/Cashier on March 20th at Gateway Technical College in Racine. He works in the cafeteria stocking items, packaging food, waiting on customers, filling and preparing orders, cleaning the food prep and serving area, and learning how to use the cash register. Congratulations on your TWE, David!

Volunteering Opportunities and Learning Experiences Help Participants Develop Their Job and Life Skills!

We are excited to see what other new volunteering opportunities and learning experiences we will have for the rest of the year!
